TeleCenter Real Estate Pro

What is TeleCenter Real Estate Pro?

TeleCenter Real Estate Pro is a Toll-Free Real Estate hotline and lead capture system utilized by top producing agents and brokers across the world.

Many Industries have used Toll-Free Info lines to provide 24/7 information to prospects for years now. Developed in 1992 by COA Network and enhanced ever since, TeleCenter has a proven track record of providing such services for many years!

In an effort to stay on top in the competitive Real Estate Market, top producing Real Estate Professionals have turned to technology to find the latest and greatest tools to provide them with the competitive edge they need!

TeleCenter Real Estate Pro is a Presentation Hotline, Voicemail System, Answering Service, Auto-Attendant and a Fax Line all in one. TeleCenter Real Estate Pro provides the competitive edge you need by providing you:

- One phone number to connect you and your clients no matter where you are
- The ability to present your listing details to clients 24/7
- To capture buyer and seller leads without violating Do Not Call list requirements
- Secure online access to your system "back office"… NO software to download
- And so much more

Let **TeleCenter Real Estate Pro** impact your business in a powerful way! Easily! Quickly! Inexpensively!
